

CANEEL BAY

A ROSEWOOD RESORT

ST. JOHN, U.S. VIRGIN ISLANDS

There is no better antidote to our over-stressed lives, than a serene Caribbean getaway where guests can experience a complete ‘disconnect’ in natural surroundings and low-key luxury. Caneel Bay, A Rosewood Resort, nestled within the 5,000-acre Virgin Islands National Park on the island of St. John, remains faithful to the vision of founder Laurance Rockefeller and his reverence for the environment. Seven secluded beaches border an expansive paradise of 170 lush acres. In this pristine setting, comfortably elegant resort accommodations showcase beautiful vistas of ocean or gardens, yet the structures – artfully built in the landscape – are barely in view. Caneel Bay remains purposefully absent of modern glitz as well as digital and electronic distractions – it’s a place where you can focus on the purpose of your vacation, and feel enriched in the process.

Caneel Bay’s serene setting in nature is itself also a truly unique meeting destination. Whether you are bringing your team together for a strategy session, recognizing key clients in a group setting, or rewarding your top sales executives, your guests will be captivated by Caneel Bay’s gracious Caribbean service and simple elegance.

TURTLE BAY ESTATE HOUSE

Set high on a panorama, the Turtle Bay Estate House is truly a “resort within a resort.” It offers an ideal destination for inspirational corporate meetings and social occasions. The Verandah and Terrace’s covered, open air spaces blend seamlessly into the vibrant island beauty to enhance casual receptions and cocktail parties. The rooms of the Upper and Lower Turtle Bay Estate House and the Board Room are versatile spaces ideally equipped to accommodate formal gatherings, ceremonies, meetings and presentations. Breakout sessions can take place in smaller adjoining spaces while the Wine Room provides a more formal setting for indelible memories of nights on St. John. The adjacent Turtle Bay Beach rooms are in convenient proximity to the Estate House and offer Beach Front accommodations. Dedicated to meetings and events, Turtle Bay Estate House meets all the needs of groups from 10 to 200.

The team of on-resort Conference and Event Planners has a broad experience and a passionate interest in even the smallest details, incorporating every attribute of Caribbean verve and vitality. GROUP EVENTS & ACTIVITIES

Caneel Bay's catering team will tailor events and excursions to delight your guests.

- Cocktails in the ruins. Drink up a bit of Caneel Bay history amidst the 18th-century ruins of a sugar mill, lit by gas torches and hurricane lamps, and open to the sky.
- Picnic on Turtle Point. A casual evening on a grassy knoll sloping gently to the sea. Gourmet picnic baskets, checkered cloths, island entertainment and stars above.
- Receptions on the Sunset Terrace. Overlooking Caneel Beach and the setting sun, the ideal venue for a welcome reception or dinner buffet for up to 40.
- Barbecues on Honeymoon Beach unspoiled, uninhabited, completely natural. White sand and seagrape trees, rum punches and grilled lobsters, all to an island beat.
- Caribbean evenings on Caneel Beach. Relaxed Caribbean elegance on the sands of Caneel Beach, and infused with local color, foods, soca music and calypso.
- Island excursions and more. Island jeep tours, fishing charters, day sails to neighboring cays, golf at St. Thomas's Mahogany Run, guided hikes with a National Park ranger and a myriad of other options.

ISLAND ATTRACTIONS

- Over half of the island of St. John was brought under the U.S. National Park system in the 1950s. Ever since, the park has remained a sanctuary in which wildlife, natural beauty and historic sites are preserved for all who visit St. John. Caneel Bay lies within the boundaries of the park.
- St. John boasts over 20 hiking trails. They vary from well-traveled and marked paths to rugged, secluded treks. The Reef Bay Trail is the most famous boasting ruins of four sugar estates, an array of interesting flora and fauna, and the Arawak Indian petroglyphs along its path.
- Caneel Bay is home to seven magnificent beaches — picturesque Scott, stunning Turtle Bay, pristine Honeymoon, active Caneel Bay, intimate Paradise, inviting Little Caneel and untamed Hawksnest. There's one to explore for each day of the week.
- Trunk Bay, just a short drive from the resort, is one of the Caribbean's most photographed beaches and features a self-guided, underwater snorkeling tour.
- The ruins of the 1870's Annaberg Sugar Mill, consisting of Danish stone, coral and brick, have been restored by the National Park. The mill is one of the island's best-preserved examples of its cultural past.
- Ruins of the first Moravian church, built in 1749 by the first Protestants to minister to West Indians, can be explored at Estate Bethany.
- On St. John, there are numerous quaint shopping areas around Cruz Bay to explore on foot such as Mongoose Junction and Wharfside Village. A ferry ride to the island of St. Thomas opens doors to almost unlimited shopping options from designer houses to bargain vendors.

St. Thomas, USVI*

GOLF

Golf Digest proclaimed Mahogany Run Golf Course more of an engineering marvel than an architectural one as the course had to be carved and blasted into an area of land just less than 110 acres. With only 77,000 square feet of greens and tight winding fairways, this is target golf with beautiful ocean views culminating in the course's Signature holes known as The Devil's Triangle.

Open seven days a week, Mahogany Run is the only golf course on the island of St. Thomas, in the beautiful US Virgin Islands. The public course is located approximately 20 minutes from the cruise ship docks in the town of Charlotte Amalie and only 15 minutes from the ferry dock at Red Hook.

DINING

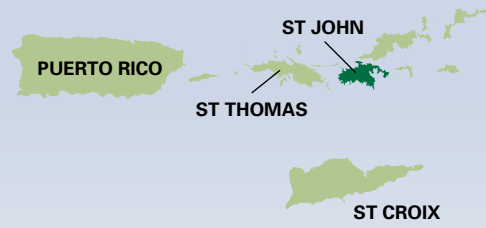

Built on the ruins of a Danish plantation house, the Equator Restaurant offers breathtaking views and grilled Caribbean specialties. Casual diners will enjoy the relaxed open-air beachfront setting of the Caneel Beach Terrace or the informal Caneel Bay Bar.

Additionally, Cruz Bay restaurants are available for booking through the Catering and Conference Services Department.

AUDIO/VISUAL SUPPORT

Wi-Fi, LCD projector and screen, DVD player, TV, conference call capabilities, flip charts and office supplies

TRAVEL DETAILS

Situated on a 170-acre peninsula surrounded by the beauty of the Virgin Islands National Park and seven beaches, Caneel Bay is located on St. John, a leisurely 35-minute boat ride from St. Thomas.

Flights are available directly to St. Thomas on American Airlines, Continental Airlines, Delta Airlines, U.S. Airways and United Airlines as well as other major carriers. Consult your travel professional for airline reservations. Upon arrival at the St. Thomas airport, please go to the baggage claim area and you will find our reception lounge on the right.
