

SENSE

A ROSEWOOD SPA®

A SENSE OF PLACE[®]

Designed to enhance every aspect of a guest's experience by reflecting the local environment, each and every Sense spa is an exceptionally unique sanctuary – instantly welcoming and individual in character with treatments and services that honor local traditions in healing and incorporate indigenous natural elements.

SENSE EXPERIENCES

All of our Sense Experiences have been carefully designed to unite energies with the splendor of the surrounding natural environment. You are encouraged to arrive at least 30 minutes prior to your treatment time to fully enjoy our exclusive amenities and facilities.

LE SOIN SISLEÏA ANTI-AGE THE CARLYLE SIGNATURE RITUAL

Essential luxury in a breakthrough anti-aging facial with sophisticated deep acting procedures. Sisleya is your fountain of youth! Fine lines and wrinkles are smoothed out; the result is a toned, firmer, more elastic and even complexion. Finishing this luxurious facial, our signature hand and foot treatment relieves tension while leaving hands and feet supple and soft. *2 hrs.*

LE SOIN HYDRATION ECLAT

This energy infusing treatment begins with the efficiency of aromatherapy during an invigorating body scrub. Rhythmic and revitalizing massage sculpt the figure resulting in smooth, healthy and glowing skin. Your treatment concludes with a targeted Phyto-Aromatique Radiance facial to eliminate signs of fatigue. Your complexion will be radiant and luminous. *3 hrs.*

FLOWERS HOLD LIFE

Delight in this exclusive ritual designed to invigorate circulation, detoxify the system and return balance to the skin, heart and body. A stimulating organic sea salt exfoliation prepares your skin for the sensory enhancing experience of our Kohler DTV shower combining steam, lights and sounds for a soothing effect. Then a customized massage is followed by a luxurious facial, and hand and foot treatment. *3 hrs.*

GENTLEMEN'S DELUXE RITUAL

Men can enjoy supercharged rejuvenation with this luxury treatment exclusively tailor-made by HOMMAGE to address men's skincare needs and stress points on the face and body. Included is a full-body dry scrub, steamed towel rub down and application of black bio-active minerals to promote a bold and healthy back. This unique treatment cleanses, refines and tones while offering relief and relaxation. The journey continues with a re-energizing massage and Gentlemen's Black Diamond Facial. *3 hrs.*

SENSE SPA JOURNEY

This treatment releases vital energy utilizing the principle of a Japanese ritual designed to unlock energy. Your experience begins with a sea algae wash and an exfoliating ginger grass scrub which stimulates blood flow while healing rice extracts buff the skin. A nutrient-infused water mist delivers antioxidants to the skin, preparing it for a Shiatsu inspired massage which incorporates Japanese meridian techniques. A customized facial with an accompanying hand and foot mineral bath follows your massage. *3 hrs.*

BODY SENSE

The spa offers an array of nurturing body therapies.

Our experienced spa team will help you choose a personalized treatment to suit your individual needs.

Each body treatment features massage therapy.

LE SOIN PHYTO-AROMATIQUE CORPS SISLEY

Hydratation Intense

This revitalizing multi sensory experience begins with a gentle cleansing and foaming body exfoliation. Essential extracts of rosemary, lavender and marjoram stimulate an increase of blood and lymphatic flow to provide detoxifying benefits. Relax in the Kohler DTV shower to further detoxify while intensely hydrating. Your reviving body experience is complete with a skin smoothing and lushly nourishing massage. 90 mins.

Confort Extrême

Enveloped in this ultra-soothing, firming and slimming heated wrap are essences of rosemary and lavender. Enliven the senses while Sisley's body moisture cream immediately comforts, hydrates, and soothes leaving you luminous, supple and youthful. For a complete feeling of total harmony and well being, your choice of scalp or foot massage is added to this luxurious wrap. 90 mins.

Apaisant

Relax in the sensory garden of Sisley signature Eau de Campagne. This botanical infusion of lemon, basil and wild herbs provides extremely soft exfoliation with an uplifting and refreshing scent. The treatment includes a calming warm oil massage at the perfect temperature to repair compromised skin. Your therapist utilizes a very gentle massage technique to help the body in its recovery process. This special treatment will leave the skin silky smooth and comfortable. 90 mins.

HAMMAM

This sensual five-step body treatment takes its inspiration from Hammam Bath House rituals. A special blend of Moroccan tea and minerals cleanse and prepare the skin for a vigorous coffee, olive-stone and fresh lemon scrub. A rich Rhassoul clay wrap then draws out impurities before quince and orange blossoms recharge the skin. This deep and relaxing treatment is followed with a warming massage using gently scented curative essences. 90 mins.

SENTO VITAL FLOW

This ritual-based treatment releases deep tension and stimulates vital flow. Combining therapeutic properties of flower oils and fruit essences with rich minerals from the earth and sea, this treatment includes a deep scrub, polish and hydration followed by a massage with Kinmoxei wild lime silk oil to restore the entire body. 90 mins.

MASSAGE THERAPY

Massage offers serenity for the entire body, spirit and soul.

It can relax, regenerate and activate your natural power center so that energy will flow and the body will be revitalized. The breath will deepen; mind, spirit and soul will come to peace.

THE CARLYLE SIGNATURE MASSAGE

This exclusive Sisley massage takes you on a journey through Asian and European techniques. Deep aromatic breathing exercises relax all vital organs followed by a Shiatsu ritual to create deep contact between body and mind. A true choreography of fluid motion will regenerate and reconnect your deepest energies. 60 or 90 mins.

SENSE AROMATHERAPY MASSAGE

Organic ingredients are generously delivered in this massage evolving from the richest healing traditions. Select from five experiences: Indian Jasmine uplifts spirits and releases tension, French Lavender enhances circulation and stimulates the mind, Italian Blood Orange detoxifies while invigorating lymphatic flow, Icelandic Moonflower transports the senses and transforms the mindset, Ocean uses chlorophyll and spirulina to promote a healthy immune system. 60 or 90 mins.

SWEDISH MASSAGE

A distinctly European full body massage, with light to medium pressure, brings together a variety of techniques that stimulate blood flow, thus improving cellular oxygenation. In addition to relaxing tired muscles, it also stimulates healthy muscular tone and eliminates rigidity, tension and fatigue. 60 or 90 mins.

DEEP TISSUE/SPORTS MASSAGE

This massage is designed to address the specific muscular aches and pains that are commonly found with injuries, as well as postural and mental stresses. Therapists adapt their techniques to provide relief from chronic tension. 60 or 90 mins.

HOT STONE MASSAGE

This Hot Stone Massage is a lovely, relaxing massage with warm stones of volcanic origin stimulating the circulation, removing blockage and releasing stress. Harnessing ancient healing powers, signature massage techniques are combined with luxuriously warmed oils to deeply relax and rebalance the mind and body. 90 mins.

Enhance your massage with reflexology or make it a complete head-to-toe experience. Ask us about our massage enhancements today! For couples we offer a couple's suite so you can enjoy your treatments side by side. For guests that prefer a more secluded experience, massage options are available in-room at an additional charge. Please ask our Spa team for details.

ESSENTIAL SKIN CARE

Our facials are designed to suit individual needs. A personal consultation and skin analysis is offered in determining the specific treatment. All facials include recommendations for homecare to enhance results.

LE SOIN PHYTO-AROMATIQUE VISAGE SISLEY

Hydratation Intense

This intensive anti-aging Phyto-Aromatic facial draws upon Sisley's extensive experience to profoundly re-hydrate the skin. A unique experience encourages water circulation within the epidermis and restores the ideal skin water balance. The skin becomes more supple, toned and regains "bounce" glow and the radiance of youthful skin. 90 mins.

Confort Pureté

Created for combination, oily and problem skins, this facial purifies, cleans and regulates sebaceous secretions without affecting the skin's water balance. The pores are tightened, skin is purified, and the complexion is evened out. The face looks clear, fresh and smooth. 90 mins.

Réparateur

The perfect way to restore skin's vitality from traveling, stress or exposure to damaging environmental elements. This replenishing facial soothes repairs and calms the skin. 60 mins.

HOMMAGE GENTLEMEN'S BLACK DIAMOND FACIAL

Featuring the premier men's grooming and professional performance collection from HOMMAGE, this deluxe facial concentrates on your specific skincare needs. Hot steamed towels and soothing aromas begin the relaxation process, followed by a deep cleansing massage and the unique Black Diamond Exfoliant and Black Bioactive Silt mask to purify and balance. This ultimate experience concludes with our signature men's facial massage specifically tailored by HOMMAGE to target men's stress points for optimal benefits and power ready skin confidence. 60 or 90 mins.

SENSE SIGNATURE FACIAL

An intense, yet gentle enzyme treatment designed to promote total skin health by dramatically improving firmness, elasticity, texture, color and overall appearance without causing irritation or sun sensitivity. A deep pore cleansing is followed by a series of herbal and enzyme protein masks, especially effective for sun-damaged and prematurely aging skin. 60 or 90 mins.

BLISSFUL BASICS

BRIGHT EYES

Make the dark circles caused by fatigue, puffiness and lack of elasticity vanish with active ingredients that gently diminish fine lines. A mask targets dark circles and expressive lines while a massage, with cold marble stones around the eyes, reduces puffiness and completes this perfect add-on for any facial or body treatment.

COLLAGEN EYE MASK

Gently formulated for delicate skin around the eyes, this transparent collagen eye mask helps hydrate and smooth fine lines. It also aids in the reduction of dark circles and puffiness.

EYEBROW SHAPING

With an eyebrow shaping you can take your appearance to a new level of beauty. A well-groomed brow line creates the subtle difference that will affect the overall look of your entire face.

DEPILATION/WAXING

Available for lip, eyebrows, chin, back, underarms, legs and bikini.

PERFECTSENSE™ PARAFFIN

It is never too soon to begin to care for your hands and feet. The PerfectSense™ Paraffin treatment helps maintain optimal skin health through regular hydration, nourishment, detoxification and protection.

YVES DURIF SALON

Experience the modern mastery of acclaimed hairstylist Yves Durif and his team, in an intimate boutique salon. Durif's passion for his craft is evident in the details: luxe yet nurturing surroundings; a synergy between stylist, colorist, and makeup artist that emphasizes the whole person; and a talented staff that shares his dedication to creating beauty and promoting well-being. It's all part of the Durif philosophy: to make every client look and feel her or his best. Come to the salon or request in-room service. Staff is available seven days a week.
