COMMONLY ASKED QUESTIONS

Q: How early should I arrive for my treatment?

A: Arrive a minimum of 30 minutes prior to your scheduled treatment time to register and prepare for your services. Also take time to enjoy spa amenities including whirlpool, sauna and steam. Arriving late can result in an abbreviation of your service time; your service will end as scheduled to accommodate the next guest

Q: How long should my hair be before a wax?

A: You must refrain from shaving for a minimum of two weeks prior to a waxing to ensure hair is approximately 1/4 inch long.

Q: If I am running late, or cannot make it, can I cancel at any time?

A: The Spa at The Crescent does have a 24-hour cancellation policy on the services (48 hours for packages). If you are running late and we can accommodate you on the same day, we will. If not, we will do our best to complete your services in the time remaining when you arrive.

Q: What if I am pregnant?

A: Prenatal services do not use deep pressure and avoid any services that raise the body temperature above normal. You should contact your physician prior to having spa services. Please inform our spa reservations agent upon scheduling your appointments so that we may provide specially trained therapists and pregnancy pillows.

Q: Do I have to disrobe entirely for my spa treatments?

A: Most do, however you may undress to your comfort level. Please keep in mind that our therapists are trained to appropriately drape you with sheets and towels for privacy.

Q: Can I ask my therapist to make adjustments for my comfort?

A: Please do. This is your treatment. Communicate with your therapist regarding pressure or technique. We value your feedback. At the time of your booking, discuss with the reservations agent your preference for a gentle, moderate or deep massage.

Q: Can my children join me for spa services?

A: For their safety, children under 8 years of age are not permitted in The Spa. We do offer select services for children ages 8-13 on our Tween menu. Our regular service menu is available for guests ages 14 and up. Guests under 17 years of age must be accompanied by an adult.
