

YOUR VILLA DINING
EXPERIENCE

At Rosewood Castiglion del Bosco, it took a few years of welcoming guests and refining how best to communicate our estate's uniquely Tuscan spirit for us to fully realise that villas are homes – and that means home cooking.

Of course you can order in; but room service is never quite going to reproduce the scent of freshly-grated truffles on a twirl of pasta strands straight from the pan, or the aroma of a slow-braised roast as your own private chef takes it, still sizzling, from the oven.

There is nothing quite like the experience of being catered for in one's own private villa by an expert chef who is in tune with the seasons and who understands the importance of fresh, genuine ingredients. Perhaps you're in the mood for a Tuscan barbecue in the garden, based on organic Cinta Senese pork or the best fish from Maremma coast? Or pizzas made directly in the villa's traditional stone oven? Or a cooked breakfast just the way you like it – is there anything quite so luxurious, and quite so difficult to find when you're away from home?

In-Villa Dining Experiences

In order to allow guests to appreciate to the full the warmth and intimacy of their Tuscan villas, we have designed a range of made-to-measure dining, catering and bar services, all available on a daily basis.

MEAL DELIVERY

Villas are meant to be lived in. So why break the spell? Enjoy your Tuscan home at mealtimes too, by ordering a selection of tempting dishes from our room service menu, delivered direct to your Villa.

BREAKFAST, LUNCH OR DINNER WITH CHEF

Whether inside your Villa or in its patio, is there anything better than a dreamy breakfast, a mouth-watering lunch or an impeccable dinner prepared by your private Chef who has hand-picked the best seasonal ingredients?

ALL-DAY CHEF

The ultimate indulgence: a day spent enjoying the Tuscan *Dolce Vita*, safe in the knowledge that one's every culinary need will be tended to, from morning to night.

You only have to abandon yourself to this magical corner of Tuscany, we will take care of all the rest.

BBQ - TUSCAN GRIGLIATA
AND
BBQ - TUSCAN GRIGLIATA WITH SERVICE

It's a great Tuscan tradition: a big open grill, a sizzling steak or a golden-brown seabass, perhaps some fresh vegetables picked from our organic garden, a glass of wine, the company of friends and family.

Why not enjoy your own convivial grigliata in the garden of your Villa? Or if you prefer, the chef can become your grill master at lunch or dinner, preparing succulent meat or fish, and vegetables outside on the barbecue.

PIZZA PARTY

It brings people together, pizza. In the making, expert hands roll out the dough,
scatter the topping, put it into the oven.

In the eating, as every flavor needs to be tried – a slice of this, a sliver of that:
melting mozzarella, glistening black olives, fragrant basil.

PICNIC

Explore the estate or venture further afield with a picnic hamper prepared for you
for an *al fresco* lunch amidst the breathtaking scenery of
the Val d'Orcia natural park.

IN-VILLA COOKING CLASS

Learn the secrets of Tuscan and Italian cuisine, which is all about using
genuine ingredients and simple but effective techniques
to create authentic flavors.

IN-VILLA COOKING DEMONSTRATION

A rich story, a rewarding tutorial, a culinary odyssey:
watch and listen as the chef prepares a menu chosen together with guests,
imparting years of experience and gastronomic culture along the way.

APERITIVO ITALIANO

In Italy, aperitivo culture means so much more than pre-dinner cocktails.

In the land of Campari and Spritz, it's that magic,
elegant place between the working day and home,
where simple snacks become culinary treats,
immaculate barmen flaunt dazzling mixology moves,
and friends talk animatedly of life, love, style and art.

YOUR OWN PRIVATE CELLAR

Laying down a cellar is a particular joy in a great enological terroir where winery visits,
tastings and expert recommendations lead to endless new discoveries.

Our sommelier will help you create your very own Tuscan Villa wine selection
to enjoy with family and friends.
