Just in Case

“Just in Case” Selection

Our Just in Case wines are a rotating by-the-glass selection focused on discovery. Each wine comes from a single case, poured using the Coravin system to preserve quality from first glass to last. This lets us offer rare and premium bottles by the glass. Once the case is finished, a new selection takes its place.

So enjoy that glass, Just in Case!

In this case:

MARQUIS DE TERME 1988

 95

The Château Marquis de Terme 1988 comes from Margaux, one of the most elegant appellations in Bordeaux, and from a vintage that really leans into structure and classic character.

Now, this isn't a big, bold, fruit-forward wine—this is all about maturity and nuance. As it opens up in the glass, you'll start to notice these beautiful, evolved aromas: dried blackcurrant, cedarwood, a bit of tobacco, even some earthy, forest floor notes. It's the kind of wine that keeps changing as you sit with it.

On the palate, the tannins have softened with age, so it feels smooth and integrated, but still with enough freshness to keep everything lifted. You might pick up some leather, spice, and a long, elegant finish that really lingers.

It's a great example of what aged Bordeaux is all about—subtle, layered, and very expressive. I'd definitely recommend taking your time with this one and watching how it evolves in the glass.
