

THE HOME OF DUTCH EXCELLENCE

AMSTERDAM

ROSEWOOD

The home of Dutch excellence, reimagining a symbolic landmark that echoes Amsterdam’s boundless creative spirit.

Standing proudly at the edge of the city’s iconic canals in the former Palace of Justice, Rosewood Amsterdam returns a historical landmark to the city and its people.

Designed to evoke wonder, it is intricately linked to the liberal spirit of the Dutch capital. Here guests can marvel at the works of acclaimed masters while unearthing a new generation of talent. Or take in the charm of quaint canals while being stimulated by local innovation and ingenuity.

Amsterdam is a city of contrasts. This energy is felt in every corner of the palace. In Piet Boon’s respectful renovation that balances period splendor with contemporary panache. In the delicate balancing act of service, comfort, exceptional art, dynamic programming, retail and design that surpasses the expected.

Fall asleep to enchanting ceiling stories after a nightcap at the Jenever distillery. Wake up to breakfast at Eeuwen, a gastronomic almanac meticulously crafted to follow the rhythms of nature.
