DEAR GUEST,

Welcome to the festive season at Rosewood Baha Mar, where meaningful connection, cultural celebration, and joyful giving come together in unforgettable ways.

This year, we invite you to take part in purposeful programming that reflects the spirit of the season. Join us in the Kitchen to prepare meals for families in need, or express yourself at our Spoken Word & Open Mic Poetry Night, with proceeds benefiting a local children's hostel. Celebrate togetherness at our Thanksgiving Family Reception with cultural experiences, local cuisine, and a Gratitude Tree where you can share what you're thankful for.

As part of our Travel With a Purpose initiative, guests can support global climate action through our carbon offset program in partnership with CHOOOSE, or dive into marine conservation with the Ocean Guardian Experience, guided by André Musgrove and the Perry Institute for Marine Science.

We're honored to celebrate this season with you and look forward to creating lasting memories together.

*Warm regards,
The Rosewood Baha Mar Team*
