

PARTNERS IN PROVENANCE

Rosewood's partners in provenance commitment was born out of respect for local farmers, indigenous agriculture, producers and a dedication to delivering the highest quality food.

Rosewood Bangkok partners with local farms providing the guests with fresh seasonal produce throughout the year. Pork from Sampran Farm, chicken from Klong Phai Farm, cereal and fruit fed beef from Khun Ta Farm, jasmine and glutinous rice from Raitong Organic Farm, and Nakhon Chaisri, pink pomelo from Tanat Kaen Chan Farm.

This overall concept places emphasis on maintaining a seasonal and diverse menu featuring local fare.

COFFEE

SIGNATURE COLD BREW

Over a process of 8-12 hours, we extracted unique flavors from cold brewed coffee beans and loose leaf tea. This cold and slow way of brewing highlights toffee nut and dark chocolate taste notes, resulting in creamy mouthfeels; characteristics that aren't apparent in a traditional hot brew.

Organic wine, made with grapes grown without the use of any synthetic chemical products for enhanced yield of harvest. The process of using pesticide and insecticide-free farming techniques that helps preserve the health of both customers as well as the planet has attracted a lot of attention towards organic wine drinking.
