

The Murals

IT BEGINS IN HONG KONG WITH JUAN TRIPPE, THE FOUNDER OF PAN AMERICAN WORLD AIRWAYS, AND ENDS IN THIS VERY ROOM WITH HIS SON, FORMER TUCKER'S POINT CLUB PRESIDENT ED TRIPPE. IN BETWEEN IS THE CREATION OF AN EXTRAORDINARY WORK OF ART.

IN 1965, JUAN TRIPPE STAYED AT HONG KONG'S FAMED MANDARIN HOTEL.

ENTRANCED BY THE HOTEL'S FAMOUS MURALS OF CHINESE HORSEMEN, HE COMMISSIONED THE ARTIST – HONG KONG RESIDENT **GERARD D'ALTON HENDERSON** – TO CREATE AN 80-FOOT-LONG MURAL FOR THE SKY CLUB OF THE PAN AM BUILDING (NOW METLIFE) IN NEW YORK.

WORKING FROM A STUDIO IN THE PAN AM BUILDING, MR. HENDERSON FILLED HIS CANVASES WITH VARIOUS PORTS OF CALL OF MID-19TH-CENTURY CLIPPER SHIPS AND WHALING VESSELS.

HIS COMPLETED **MURAL WAS INSTALLED IN 1966**, WHERE IT STAYED UNTIL THE SKY CLUB'S 2005 CLOSING. AT AUCTION, JUAN'S SON ED WAS OUTBID IN HIS EFFORT TO KEEP THE MURAL "IN THE FAMILY," BUT IN A TURN OF FORTUNE, THE WINNING BIDDER WITHDREW AND ED ACQUIRED THE ARTWORK, TRANSPORTING THE PANELS TO BERMUDA TO GRACE HIS OWN VENTURE, TUCKER'S POINT HOTEL & SPA.

MR. HENDERSON'S NAUTICAL SCENES SURROUND YOU IN THE POINT. **THE ORIGINAL MURAL BEGINS WITH A SCENE OF NEW YORK HARBOR IN THE 1850S AND ENDS WITH LAHAINA MAUI IN THE 1860S.** IN BETWEEN ARE HONG KONG'S VICTORIA HARBOUR, CANTON HARBOUR, THE PORT OF LONDON, GLOUCESTER SEAPORT IN NEW ENGLAND, RIO DE JANEIRO, CONSTANTINOPLE, AND BEIRUT HARBOUR. AN EIGHTH PANEL HAS BEEN ADDED, COMMISSIONED BY THE YOUNGER TRIPPE OF MODERN MURALIST **DOUG BOWMAN**, WHO HAS DUPLICATED HENDERSON'S STYLE IN HIS DEPICTION OF **BERMUDA'S OWN HAMILTON HARBOUR IN THE 1880S** WITH THE SPIRIT OF BERMUDA IN THE FOREGROUND.
