Water Sports Centre at Castle Harbour

The Watersports Centre at Rosewood Bermuda welcomes guests to seek their ocean adventure along the shores of Castle Harbour. Surrounded by the turquoise waters of the Atlantic, exploring Bermuda by water is a way of life, and a holiday here is not complete without a day on the water.

U Sail Castle Harbour offers experiences on a wide range of watersports equipment. A team of experienced and highly-qualified sailing instructors are ready to help guests explore their sailing journey. Guests with prior sailing experience will be able to rent a boat or board to enjoy their time on the water, and will be able to enhance their daysail with a gourmet picnic prepared on request by resort chefs. For those interested in instruction or fine-tuning, basic courses as well as multi-day lessons are available for both dinghy sailing and windsurfing. In the summer season, guests ages 9 and up will be able to partake in 5 day sailing camps uniquely designed to inspire the next generation of seafaring adventurers. Additionally guests can enjoy complimentary use of kayaks and stand-up paddleboards to explore the nearby shores of Castle Harbour from a different perspective.

Kinezumi Water Sports offers an epic floating water park with obstacle courses, launching pads, and more beginning late May/early June weather dependent.
