MERRY
MAKING

HENRY

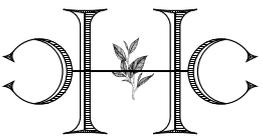

Christmas dinners are never complete without the crispy, crackly, fresh-out-the-oven meaty centrepiece.

At the sophisticated HENRY steakhouse, classic meat-filled meals are fired up by Chef Mario Tolentino's all-American spirit. On the Christmas Eve menu, and for Christmas and Boxing Day Specials as well, the traditional Rosewood Christmas Turkey comes in delicious gravy-adorned portions and platters of Oysters are designed for sharing. Smoked Prime Rib and Salmon Wellington round out a most satisfying meal.

Within the Holt's Café contemporary dining room, Christmas feasts look a little different: comfortably familiar, signature Hong Kong flavours are elevated by the café's team of expert chefs. As well, on the three-course Festive Lunch and Dinner menus, diners can choose between Braised Beef Brisket and classic Roast Beef, Iberico Pork Pluma and Honey-Roasted Ham -- the happiest of holiday decisions to make!

DINING ROOM

BY BLUHOUSE

The extravagant dinner spread, overflowing at the edges, makes up a classic Christmas feast -- especially in Italy. No one appreciates this more than Chef Giovanni Galeota at the helm of The Dining Room by BluHouse, as he happily fills his holiday menu with sophisticated dishes of hearty Italian fare, all recreated from his own treasured family recipes.

The lavish six-course Christmas Eve Dinner and Christmas Lunch are thoughtful presentations of well-loved classics, like Risotto, Roasted Lamb and handmade Panettone. The delicious fare comes with a side of neighbourhood care: BluHouse gives 1% of its revenue to help those in need in surrounding Tsim Sha Tsui, as well as creates employment opportunities for underserved groups.

Pâtisserie

Decadent treats of Christmas puddings and sweets are always welcome but can also disappear quickly. To extend the holiday spirit well beyond, Rosewood has created unique Christmas items that will be cherished this season. There are festive decorations from Blooms & Blossoms, a Negroni cocktail travel kit from DarkSide for jet-setting merrymakers and, exclusive this year, an organic cotton Christmas stocking created in collaboration with Ferm Living, adorned with your initials or those of someone you love.

DISCOVER MORE

The Christmas Yule Log, the delicious symbol of the season, is not simply the usual chocolate-coated construction at Butterfly Patisserie. The pastry chefs have created four renewed variations that are as stunning in presentation as they are in taste. You'll find one dipped in Santa Claus's signature shades, filled with orange marmalade, and another infused with the earthy aroma of Nespresso's signature coffee beans. The favourite might be the chestnut-filled White Christmas House Yule Log that captures a scene of Santa's favourite Christmas activity -- squeezing down the chimney.
