Experience the ultimate hair beautification at Asaya

The celebrated Rossano Ferretti HairSpa is making its Hong Kong debut at Asaya, marking an exciting addition to our range of exceptional wellness offerings. Channelling the brand's distinctive personalised approach to haircare, Rossano Ferretti HairSpa delivers a styling experience that is truly unparalleled.

Our acclaimed hair stylists, all mentored by the Maestro himself, cut, sculpt, and shape with both passion and precision, using the signature Ferretti Metodo Cut. Embracing the hair's natural beauty and celebrating the uniqueness of each individual, our team of artists is on a mission to redefine luxury haircare.

Continue your hair care journey at home

Beyond the salon, Rossano Ferretti's line of transformational haircare products allow you to continue your haircare journey at home. Drawing on Ferretti's years of experience, these professional collection are crafted using only the highest quality ingredients, all designed to nourish and enhance the natural beauty of your hair.

Each formula has been meticulously crafted by the world's leading hair artisans, utilising innovative skincare technology. The products are vegan, cruelty-free, dermatologically tested, and enriched with wholesome naturally-derived ingredients that nourish and protect your hair without the use of harsh chemicals. From shampoos and conditioners to styling products and treatments, Rossano Ferretti's product range offers a holistic approach to haircare.

"We have taken hairdressing back to its core, drawing out the hair's beauty in a more harmonious, respectful, natural and holistic way and supporting our clients' everyday home haircare routines."
