

# JARDIN d'HIVER

Rosewood's Partners in Provenance commitment is born out of respect for local farmers, indigenous agriculture, and a dedication to delivering the highest quality foods.

Hôtel de Crillon, a Rosewood Hotel partners with local farms and purveyors that provide the guests with fresh, seasonal produce throughout the year, such as fresh eggs from La Ferme du Pré in Eragny-sur-Epte, fruits and vegetables from Dorian Gautier and local cheeses from La Ferme d'Alexandre.

The overall concept places emphasis on maintaining a seasonal and diverse menu featuring local fare.
