HONORED CITY SANCTUARY**

VANCOUVER

ROSEWOOD
HOTEL GEORGIA

Vancouver's time-honored sanctuary, Rosewood Hotel Georgia is a restored 1927 landmark at the historic heart of the city. Long celebrated as the most glamorous hotel in Western Canada and an urban escape moments from downtown.

Behind a stately façade, global perspectives take shape in local details. Discover a spirit of rich diversity that moves through terrazzo floors, velvet textures and works by Canadian artists. Bridging past and present, this downtown retreat draws on Jazz Age elegance and a distinctly Pacific Northwest sensibility—capturing the layered identity of Vancouver.

From forest, field, river and sea, dining at Reflections The Garden Terrace celebrates the region's natural abundance. At 1927 Lounge, cocktails echo the stories of luminaries who once walked these halls. The Georgia Bar invites you to linger over whiskey tastings, live music and conversation that stretches into the evening.
