

A woman with long dark hair, wearing a white fringe dress and white gloves, stands with her back to the camera, arms raised in celebration. She is looking up at a massive, brilliant firework exploding in the dark night sky. The firework is a large, starburst-like shape with many long, thin trails of light radiating outwards. In the foreground, a large cluster of orange and gold balloons is visible on the right side. In the background, a pool of water reflects the light from the fireworks and the surrounding area. The overall atmosphere is festive and celebratory.
