NEW YEAR'S CELEBRATION

Greet 2021 in paradise at our biggest party of the year. Our December 31 bash will take place along the expansive Las Ventanas beach. Magical happenings throughout the evening will include live music, dancing and dining under the stars, and a spectacular five-minute fireworks display. The party's secret theme will be revealed to guests with holiday reservations on December 1.

Fun with Rosewood Explorers

At the complimentary Rosewood Explorers' club, our youngest guests will enjoy a range of locally inspired activities designed to spark creativity. Traditions will be explored through arts and crafts, from painting Mexican ceramics and fanciful Alebrije folk art to decorating gingerbread houses with our Pastry Chef, piñatas and Yule logs. Little ones will adore building sandcastles, making tacos, learning magic with Sterling and belting out their favorite songs in karaoke contests.

Open daily from 9-5 pm.

Sunset Bar

This winter, our iconic Sunset and Hookah Bar is back on the resort's picturesque white-sand beach. Situated by the Sea Grill and against the stunning backdrop of the Sea of Cortez, the pop-up bar will be open each evening, allowing you to unwind after a long day of sun-soaked activities. Adding to the laid-back ambiance are luxurious, fluffy floor cushions and an intimate bonfire decorating the beach view, creating the perfect spot for cozying up with loved ones.

Sea Grillito

The truest form of waterfront dining. With the stunning Sea of Cortez as the backdrop, you will be seated at a beautifully coastal-designed private table located directly on the beach, while being immersed in the open-air and soothing sounds of the water.

A Thousand- and One-Nights

Las Ventanas' "A Thousand-and-One-Nights Dinner" brings the magic of Arabian Nights to the shores of the Sea of Cortez. Dining underneath a beautiful canopy decorated with twinkling lights and seasonal Mexican ornaments, you will be taken on a once-in-a-lifetime gastronomic journey of authentically prepared Mexican cuisine, conceptualized and expertly executed by Executive Chef and his culinary team.

Barbacoa Night

Once a week we invite you to learn the pre-Hispanic cooking technique of barbacoa. Join the resort's specialty Chef at 12:00 p.m. as he demonstrates the procedure of wrapping local organic lamb in agave leaves and placing them in a heated underground barbacoa oven. This delicious concoction is covered, and cooks slowly for more than seven hours, until the meat is succulent, tender and flavorful. Later, gather to enjoy an unforgettable barbacoa dinner accompanied by traditional sauces and sides.

Using a specially designed app, you can either select a dazzling pre-designed show or opt to create their own unique display by choosing options on the world's first “firework menu,” an extensive collection of pyrotechnic effects and illuminations that include crackling tail comets, glittering roman candles, bursting mines and mini-shells. Not only can you control the color, duration and effects of your private fireworks show, you can also hand-pick accompanying music to further personalize the spectacular event.
