a journey of
DISCOVERY

AN EXCLUSIVE CHEF'S TABLE
DINING EXPERIENCE

Set sail on a ten-course culinary odyssey where the legends of the Caribbean come alive through flavors inspired by the wild, unspoiled beauty of Virgin Gorda.

Your journey begins with the bounty of our island — vegetables and herbs harvested from the resort farm, ocean jewels freshly caught just offshore, and spices bold enough to tempt any rogue. Every plate is a treasure chest: unexpected, aromatic, and rich with story.

Savor flavors once traded on the high seas, and raise a glass to the legends that came before.
