GOLF

Mayakoba offers a spectacular 18-hole golf course named El Camaleón Golf Course, designed by renowned architect and PGA TOUR legend Greg Norman. The golf course is home to the World Wide Technology Championship at Mayakoba, Mexico's historic first-ever PGA TOUR event, since 2007.

Six miles of fresh water canals surrounded by exotic mangroves and birds lead to a beautiful white sand beach and to the turquoise waters of the Caribbean Sea. Guests are peacefully transported in boats through the resorts contemplating a revolutionary vision of beauty and harmony.
