

PREFACE

INDULGE IN YOUR DARK SIDE

Novels serve as a means of escape. Where one is captivated by the interplay of love, conflict, desire, adversity, and triumph involving the protagonist and antagonist at the heart of a narrative. Amidst the shadows of these tales, the role of the villain is one often uncelebrated. In Volume III of the Chronicles of Cocktails, we delve in the depth of literature's most jaw dropping creatures, criminals, and psychological terrors. From colors to layers, flavors to garnishes, each facet takes sensational cues from the actions and words these wrongdoers played in iconic works that have shaped history. At The Manor Bar we do not condone villain's devious behaviors; instead, we recognize the balance between the forces of good and evil. Allow us to take you on a literary journey with our favorite sinister masterminds, one sip at a time.

AUTHOR'S NOTE

On behalf of the team at The Manor Bar, we are proud to introduce Volume III of the Chronicles of Cocktails. In this volume, each cocktail is uniquely named after iconic villains drawn from the pages of history's most renowned novels and tales. From terrifying monsters to cunning manipulators, ruthless tyrants and self-absorbed egomaniacs, the very essence of these characters is masterfully unveiled within the layers and flavors of our signature libations. These villains, often overlooked in favor of their heroic counterparts, possess intricate personalities and distinctive traits. It is our hope that each one of our guests not only enjoy every sip but also savor the unique allure of the world's most notorious mischief-makers. Nonetheless, we believe there is no championed hero without a cunning villain.
