

THE AMERICAN RIVIERA ESTATE

MONTECITO

ROSEWOOD

MIRAMAR BEACH

Miramar—'to behold the sea'. The only beachfront retreat in California where rooms rest directly on the sand, framed by the undulating Santa Ynez Mountains.

On the edge of the Pacific Ocean, discover a Miramar Beach state of mind. Unhurried days set by the rhythm of waves. Mornings spent barefoot on the shoreline. Evenings beneath a canopy of stars. A meeting place for like-minded travelers amongst thriving local communities.

Here, a West Coast elegance meets contemporary cali-living. The romance of sunlit verandas, chandeliers and checkerboard floors is the backdrop of a tranquil haven. Hours that halt while surfing at dawn, gathering honey from beehives or catching the Miramar Jolly to the beach bar.

Dining at Miramar is a reservation with Montecito's abundant bounty—the Hass avocado, Oxnard strawberry, Eureka lemon. Seasonal flavors of the land elevating every plate and glass of Santa Barbara wine, to be savored against the sounds of crashing waves at Caruso's.

Find your place at Rosewood Miramar Beach, California, at its most effortless.
