

A NEW YORK ICON

NEW YORK

The Carlyle

A ROSEWOOD HOTEL

NEW YORK

A New York icon and destination defined by the art of entertaining. One of creativity and performance that holds a special kind of magic, a legendary mystique.

This renowned Upper East Side setting of artistic legacy and cultural heritage is just steps from Central Park, Madison Avenue and leading galleries. An alchemy of imagination, intention and individuality. Enigmatic as a private club.

Here gathers the sophisticated few who know how to live well between jazz notes and charming conversation. The cabaret, the classic martinis, the red carpet rendezvous. After-parties that are the stuff of legend, official and otherwise. The place of possibility that draws a constellation of icons, artists and insiders. All wrapped in complete discretion and privacy.

The Art Deco landmark is a living canvas for expression, where artistry is intrinsic to its identity. A curated fine art collection and storied murals, enriched by a creative community that has long found inspiration and belonging within these walls. Here, contemporary styling balances golden-era glamor throughout.

A place bringing the world's most unique together in ways many can only imagine, and only at The Carlyle.

EXPERIENCES

The art of entertaining lives on through signature experiences, from live music and martinis to cultural and culinary moments.

Martini Masterclass

Master the art of the martini at Bemelmans Bar as a legendary red-jacket bartender shares classic techniques alongside modern twists like the Bobby's Manhattan and Madeline's Vesper.

A Day at The Met

Guests are invited to one of the world's most celebrated museums—after hours, when it's only them, the masterpieces, and the conservators preserving history before your eyes.

Live Music at Bemelmans Bar

Enjoy Emmy award-winning pianist Earl Rose as he sways above the keys at Bemelmans Bar, filling the room with the Great American Songbook.

DINING

The classics reimagined using local, seasonal ingredients with select dishes prepared tableside

Bemelmans Bar

Beloved by Upper East Siders, this iconic New York hideaway is renowned for nightly piano, late-night jazz, and storied murals by Ludwig Bemelmans.

Café Carlyle

An intimate, last-of-its-kind supper club where New York glamor and classic cabaret take center stage.

Dowling's at The Carlyle

New interpretations of timeless New York classics, where every dish tells a story of seasonality and provenance, set amidst a rich collection of over 200 local artworks.

The Gallery

Designed by the legendary decorator Renzo Mongiardino and inspired by Topkapi Palace, this intimate jewel box offers afternoon tea and light refreshments late into the night.

WELLNESS

Tucked inside The Carlyle is a haven for those who want to look and feel their best, from transformative Valmont treatments to signature cuts at Yves Durif.
